

Snow White and Rapunzel

The wicked voice came from Snow White's evil stepmothers' room and Snow White peered through her evil stepmother's door. She was talking to the mirror. she was asking who was the most beautiful in the land.

It all started when Snow White saw her step mother asking the mirror who was more beautiful.

A dark huntsmen led Snow White into the woods but he didn't want to kill her so he just made Snow White get lost. Then a witch came and grabbed Snow White. She realised she had been kidnapped and she was as scared as a cat. Then Rapunzel came and threw a net over the witch.

Then Rapunzel and Snow White kicked the witch into a dungeon.
